

## 2020 Open Managed Formulary

The formulary is the list of preferred drugs included in your prescription plan. Ask your prescriber to consider preferred medications from this list when medically appropriate. Inclusion on the list does not guarantee coverage. The following list is not a complete list of products that are on the formulary. This list represents brand products in CAPS and generic products in lower case.

**For the member:**

[PA] - Prior Authorization

[INJ] - Injectable

This list contains injectable medical drugs covered under medical policies. For specific questions about your coverage, please call the phone number printed on your member ID card.

**For the Health Care Provider:** Please prescribe preferred products and allow generic substitutions when medically appropriate.
