

This is a list of preferred drugs where a preferred copay would apply if your medication is covered by your plan. **Inclusion on the list does not guarantee coverage.** Ask your prescriber to consider preferred medications from this list when medically appropriate. The following list is not a complete list of products that are on the formulary. This list represents brand products in CAPS and generic products in lower case.

**For the member:**

- [PA] – Prior Authorization
- [INJ] – Injectable
- [ST] – Step Therapy

This list contains injectable medical drugs covered under medical policies. For specific questions about your coverage, please call the phone number printed on your member ID card.

**For the Health Care Provider:** Please prescribe preferred products and allow generic substitutions when medically appropriate.
